## Content

This workshop will help you get to know and maybe even get to love Stuttgart.

After the completion of all 6 of the visiting and reflection tasks at different places within the city of Stuttgart, you will be able to point out which places you like, which ones inspire you, which places are only worth visiting once for you, where you might like to take visitors and those where you can simply feel at home,... living like a local!

There is one set of tasks for the summer semester and another set of tasks for the winter semester.

## Objectives:

After the completion of this workshop, you will...:

- be able to find six places in Stuttgart and know what feelings each of the places evoke inside of you
- have written down what make the places visited special to you
- have analyzed good times to come back to this place
- have evaluated what to recommend to others about the places
- have a personal booklet / journal about the city that is your new home.

After successful completion of all parts of the workshop, you will receive a certificate of attendance.
