Hotspots for Free WiFi provided by "Unitymedia Wifi" can be found via http://www.stuttgart.de/wlan.

Students from partner universities using eduroam can use their home universities login for the WLAN eduroam at HFT.

Mobile phone SIM-cards are available from several mobile phone providers. Shops can be found in Königstraße. Tariffs vary and students can choose between either contract or pre-paid packages. Please be aware, that contracts last minimum for two years. You do not get out of the contract before and you have to cancel it well in advance, if you do not want to extend the contract for another two years.

**Formalities**

Apart from your matriculation as a student, there are some formal requirements you have to fulfill after your arrival in Stuttgart. If there are any problems or difficulties, you can ask us and we will help you.

**Health insurance** *(Krankenversicherung)*

International students need a valid health insurance providing full coverage of health costs.

Thus, we recommend getting a public health insurance in Germany.

- AOK Stuttgart-Böblingen, Breitscheidstr. 18, 70176 Stuttgart
- TK Stuttgart, Lautenschlagen Str. 22, 70173 Stuttgart

Students obtaining a German health insurance need to pass on their German bank details to their insurance in order to enable monthly debiting and to validate insurance cover.

EU-citizens with an EHIC are covered by the health insurance of their home country. Nevertheless, they need to get a verification from one of the above mentioned health insurances. This also applies to Non-EU-citizens with a private health insurance either from their home country or from Germany.

Non-EU-citizens with a foreign or private health insurance have to let it verify as well.

Non-EU-citizens above the age of 30 need to get an adequate private health insurance.

- www.auslandsversicherung.de
- www.mawista.de

You will need:

- passport
Please bring the confirmation to the ISO as soon as possible, because only then we can give you the student ID card.

**Registration at the citizen office (Bürgerbüro)**

As a new resident, you have to register your address at the citizen office responsible for the place of living within two weeks after your arrival. In return, you will receive a registration confirmation (Meldebescheinigung) which needs to be kept with your passport.

**You will need:**
- passport
- address confirmation of the landlord
- registration form

**Bank account & payments**

The student housing services Studierendenwerk Stuttgart (SWS) will deduct the monthly rent directly from your bank account. Therefore, you will have to provide a German bank account in order to pay for your room.

- Deutsche Bank AG, Theodor-Heuss-Str. 3, 70174 Stuttgart
- BW-Bank

**You will need:**
- Passport
- Matriculation confirmation
- Registration confirmation (Meldebescheinigung) from the citizen office

After you have opened a bank account, you are required to fill in a direct debit authorization letter (Bankeinzugsermächtigung) for the Studierendenwerk. This paper you received by the caretaker of your dormitory (Hausmeister) or your “Buddy” on your arrival day. It allows the Studierendenwerk to draw the rent automatically from your account. Please return the form to the caretaker or to the Studierendenwerk as soon as possible. Be aware that the monthly rent is drawn in advance at the beginning of the month or even before i.e. at the end of the previous month. Keep a sufficient amount of money in your account. Besides the Studierendenwerk, the German health insurance company also need your bank details to withdraw the money directly from your bank account.

Please note: if you do not have enough money on your bank account for those transactions, you will have to pay a penalty fee for every failed transaction.

**Public transport (VVS & SSB)**

Most of you have to take the S-Bahn (S) or U-Bahn (U) to get to the Hochschule. The stops closest to the Hochschule are the S-Bahn station *Stadtmitte* or the U-Bahn stop *Börsenplatz* (U9, U14). Students who live downtown may walk or take the bus.

The cheapest ticket is a **student ticket** ("StudiTicket") for approximately 210 €, which is valid for six months, starting on the first day of the new semester. You can use it in all zones of the VVS public transport network in and around Stuttgart. More information can be found at [www.vvs.de/](http://www.vvs.de/).
Once you have received your official Student ID-card you can buy your StudiTicket at any of the nearby VVS or SSB ticket offices (Stadmitte/Rotebühlplatz, Charlottenplatz or Hauptbahnhof). Students without StudiTicket nevertheless can use public transportation in all sectors for free after 18:00 and during the whole weekend simply by showing their student ID-card.

You will need:
- a passport photo
- student ID card
- money to pay

You can also buy the StudiTicket online, which is a bit cheaper and you can print it out again, when you lost the ticket, but therefore you first need a German bank account.

Always take your health insurance card or similar insurance documents with you if you need medical treatment! Hospitals usually only treat emergencies or patients transferred by a general practitioner.

Medical treatment

The first step in case of any health problem should be the consultation of a general practitioner (Allgemeinarzt). If the general practitioner is unable to help, you may be transferred to a specialist or – depending on your health problem – straight to a hospital. A list of doctors can be found at

http://www.stuttgart.de/item/show/18013/1/slnk/313310

http://www.dasoertliche.de/Themen/Arzt/Stuttgart.html

Medication on prescription

Simple medical aids and medicine such as herbal teas are freely available at drugstores and supermarkets. The full range of medication can be purchased at chemist's stores called Apotheke. However, freely available over the counter are only simple drugs i.e. painkillers like Paracetamol or Aspirin. In order to obtain more potent medication you first need to consult a doctor for a prescription (Rezept) which then can be exchanged for medicine at the nearest Apotheke.
Shopping (Opening hours)

The shops in the city center of Stuttgart are open Monday to Saturday from 9:30 to 20:00. In the outskirts of the city, opening times are likely to vary. You will not find any of the shops open on Sundays except some bakeries for two or three hours in the morning. Only petrol stations, some shops at the main station and at the airport are open on Sundays.
